Description

This antique deep buttoned leather Chesterfield is very smart looking & has a lovely original colour. I would date it to around the 1920-30's period & it's in great condition, with a bit of natural fade here & there. The condition of the leather is fine & there are no holes, rips or perished leather. Please look at & enlarge all the images to see for yourself. This Chesterfield is very comfortable & the seat is quite firm with good back support. Width - 83.5", 212 cm Depth - 37", 94 cm Height - 29", 74 cm Seat height - 16.2", 41 cm
