Description

Wonderful Longines solid 9ct gold gents wristwatch. This is a very fine example of a gents classic wristwatch made by the world renowned premier Swiss maker Longines. The watch has a calibre 19.4 17 jewel manual wind movement, as you can see it is in fabulous condition. The sub seconds dial is in superb condition. It has gilt hands and baton markers. It has a slimline case which makes this ideal to be worn as a dress watch. A new glass has been fitted and the case has been professionally polished so it is in superb condition. As you would expect the watch is fully marked on the dial, movement and case. The case is hallmarked. It comes complete with a new premium quality black leather strap. Longines are one of the most exclusive watchmakers in the world and this watch certainly has that understated elegance that whispers class. The watch case measures 33mm in diameter not including the crown. Overall this watch is in outstanding condition and highly sought after by collectors indeed it looks as if it was rarely worn. It has been professionally overhauled, the process is highly detailed and meticulous. It is stripped down to its component parts and each p...
