Description

We date this fine quality toasting fork to be from around 1900-1920. Made of brass with a steel fork and a lovely turned wooden handle, it measures 40cm in length and at the end of the handle is a lovely decorative finial holding a metal ring for easy hanging. Fully extended, the fork measures 58cm in length. The handle is 15cm in length and the fork is approximately 5cm, it is solid, heavy, and very well made. We have included postage and packing costs for the mainland UK only in our price, but for delivery elsewhere please contact us.
