Description

Charming Georgian primitive Welsh elm windsor armchair with stick back and support to wide flat arms. Simple stick legs. Wonderfully figured seat. All in fine condition though it appears that the legs, which are original, have been re-positioned probably due to them coming loose. Wonderful honey colour with superb waxed patina. Size; 29" high, 25" wide across arms, 20" deep. Aprox carriage cost in mainland U.K. £50
