Description

Small antique carved walnut console side table in excellent original condition. It has a wonderful shape & is fine quality, dating from around the 1910-20's period. The top is cross banded & has a gadrooned edge. The legs have beautiful carvings on the tops & on the feet. This table has a great colour & the top panel has nice figuring in the wood. To be honest, I wasn't sure if this table was walnut or mahogany. Anyway, I'm fairly sure it's walnut. Width - 34.7", 88 cm Depth - 15", 38 cm Height - 27.2", 69 cm
