Description

Superb 1930s Art Deco Smiths Sectric clock was produced in the 1930's and was called 'The Newport'. This is a clean, fine example of this rare clock which is in excellent working order. Condition is excellent, the glass is not chipped or damaged and the chrome is in good condition for it's age of 80 years. Shows little to no signs of it's true age which is also quite unusual for these clocks. Fully working order, having been serviced by our horologist should serve the new owner another 70 - 80 years. 6 inches x width 7 inches x depth 3 inches
