Description

This pair of antique Victorian bedside chests are truly one offs & they have been adapted from a pair of Victorian desk pedestals, so the carcasses are original. They are veneered in pollard oak & are cross banded on the tops, plus on the sides. These chests are bow fronted, with turned oak bun handles & sit on flat bun feet. They are very rare items & can't be repeated. I don't think they will hang around for long either. Width - 14.2", 36 cm Depth - 15", 38 cm Height - 27.2", 69 cm
