Description

A wonderful parlour cabinet , or chiffonier, of the finest quality by the renowned makers, Maple and Co of London. Of excellent construction in satinwood and stunning satinwood veneers onto a solid mahogany carcass. This whole cabinet is of the highest quality , it is imposing and has a beautiful depth of colour and patina. It is decorated throughout with extensive crisp floral inlay and neo-classical inlaid scenes to the cupboard doors. To the top there are two small glazed cabinets flanking the main central mirror. This is surmounted by a broken-arch pediment. The base section has two long central, bow-fronted, drawers. These are flanked by two shorter drawers, each sitting over a cupboard. All cupboards and cabinets are lockable (key supplied). This prestigious and fine cabinet is offered for sale in excellent condition, it splits into two pieces for ease of delivery. All of the mirrors are the original beveled plates, these now shows signs of foxing, which we believe adds character. However, if this is not to your liking we can have them changed for replacement beveled plates in pristine condition. This cabinet is a real statement piece. Dimensions: Width 163cms Depth...
