Description

French Shabby Trumeau Style Console Mirror by Franse Spiegel This tall Mirror was an elegant piece in its day, has a plaque at the top with dancing cherubs surrounded with a wreath of flowers, leaves and ribbons, and the broad frame is reeded with a rope edging The now Shabby Frame was originally finished in dark green and gold, much of which has now worn away but it has a charming look and though a little chipped the finish is stable and not flakey The mirror dates from the mid 19th century, the mercury glass is original and has a quite a bit of foxing, not perhaps one for the feint hearted but an interesting and attractive piece in its own right. An original and genuinely Shabby Chic, French Painted Console or Pier mirror attributed to one of the well known French Makers The mirror 49" high and it is 27" wide TNC98 We Give Free Delivery to Mainland England & Wales, Delivery times vary according to your location usually 7 to 28 days We only operate an online store and regrettably viewing in person is not an option.
