Description

An awesome ring, centred by a quite breathtaking stone. The ruby is natural and unheated, and displays the perfect pigeon blood red. A pair of high white triangle cut diamonds emphasises the deep, dramatic hue of the centre stone. All three gems sit atop a simple double gallery, leading to a tapering platinum shank. Magnificent. Accompanied by a Ruby Report from Gemmological Certification Services (GCS) stating the ruby is natural and unheated. Please contact us if you would like to see a copy of the certificate. Cut – Oval cut ruby and step-cut diamond triangles. Colour – Diamonds are G. Clarity – Visible inclusions in the ruby – to be expected of a ruby this size – but still transparent enough to allow light to travel through the stone. Diamonds are VS1 and SI1. Carat – The ruby is approximately 3.60 carat. The each diamond is approximately 0.75 carat. Circa – 1950. Size – I 1/2 (UK) or 4.5 (US). Complimentary sizing is available, can go up or down. Measurements – The ruby is 10.2mm by 8.2mm and sits 7.3mm from the finger. Metal – Platinum. Tested.
