Description

A lovely large pine farmhouse bench seat dating from 1880, in a very nice rustic condition. In excellent order throughout despite it being so old. Plenty of storage in the lift up seat, ideal to store your kitchenware or tablecloths/candles etc in a dining room. This would also work well in a large hallway storing shoes/wellies/dogleads etc... We rarely find benches of this size and age, this is a very nice example. It has been recently stripped of its original paint to the barewood, and is now ready for waxing or painting. The price includes our professional wax service. Seat height 19", overall height 36", width 79.5", depth 19"
