Description

** NB This listing is now for 5 single chairs and a matching carver chair. Please see additional photo Beautiful set of windsor bar-back dining chairs with a lovely rustic country charm. The set includes six single chairs. A matching carver is available at an additional price. They are not an exact matching set and there are slight differences in turning and size but they look fantastic together and do not look at all out of place as a set. They are in good condition and have a lovely colour. They have been cleaned and polished and the joints have been strengthened to produce a strong and sturdy set. There are signs of age and wear on them, some old splits in the wood and historic woodworm holes but they are all guaranteed to be good solid sturdy chairs. They are a standard size and will fit around any standard table. The best description comes from the photos so please look at them all carefully and if you have any questions please ask.
