Description

A continental antique pine glazed dresser dating from 1880/1890, in lovely condition throughout. The top section consists of a glazed double door shelved cupboard, with original keyplates and working lock and key, sat upon very nice supporting columns. The base has two small drawers above a double door, single shelf, cupboard. A key feature to this dresser is a slide out worksurface/chopping surface. This could be used for food prep or for homework/laptop work. The height to the slide out section is 33" so a bar stool/ tall chair would work nicely with it. The top section comes away from the bottom making delivery and access easier. Pictured here in the bare wood ready for waxing or painting. Our price includes our professional wax polishing service. Height 80", width 45.5", depth 24.5"
