Description

A superb 19th Century Ottoman of a very unusual inverted form, with moulded mahogany beading. The ottoman is beautifully presented with new linen coloured upholstery that would work with any interior decor. The contrast of the fabric with the mahogany really shows off the structure of this striking piece of furniture. The ottoman stands on its original castors, the inside is very clean and perfect to use for storage. A decorative and useful piece that could be used as end of bed storage, extra seating or even as a coffee table. c.1890 Top: width: 35" (89cm) Depth: 18" (46cm) Base: Width: 29.5" (75cm) Depth: 12" (30cm) Height: 22" (56cm)
