Description

A lovely chaise longue from the Victorian period made of solid walnut. The warm and mellow walnut timber has a real depth of charm to it, it has been carved with crisp detailing. The frame is strong and sturdy and the whole chaise has a lovely shape and style to it. The button back upholstery is in serviceable condition but does have a couple of scuffs and signs of wear. The chaise stands on its original brass castors. This is a lovely chaise, its style redolent of the height of Victoriana. dimensions length 200cms depth 68cms height 95cms
