Description

A small Victorian antique Elm blanket box in lovely condition inside and out. Originally used to store blankets and linen, nowadays our customers use these chests for the same purpose at the end of their beds, or to store toys in a play room or shoes in a hallway. Our customers also like the contrast with this darker wood alongside some of their lighter pine pieces. This box still has its very nice original strap hinges. Height 14.5", width 36", depth 18".
