Description

A 1920s Junghans chronometre galonne cased pocket watch. The watch has a stem-winding movement which is working nicely. The movement is stamped Junghans and numbered 0164251. The movement is protected by an inner hinged cover stamped Chronometre, Grands prix, Paris 1900, Turin 1911, 7 rubis, Spiral Bregeut, Junghans. The watch measures 48.5mm diameter excluding the winding stem and the loop. The case is nickel with a rose gold wash around the bezel and the edge of the hinged case back, known as a galonne case. The case back has a vacant cartouche to the centre. The case has light surface marking from use and a couple of small "dings" to the back but overall it is in nice condition for a 1920s piece. The watch lens is plastic and is in nice condition. The white enamel dial has a couple of small hairline cracks and slight nibbling to the centre hole although hardly noticeable. The watch has ornate gilded hands and blued steel sub second hand. Price includes worldwide postage.
