Description

An excellent pair of French armchairs, or Fauteils, from the 19th century. Of good construction, made from solid rosewood with a lovely deep, rich, colour and patina. They are decorated with crisply carved floral detailing to the crest and knees and they stand on their original castors. They have a lovely flowing form and are really very elegant. The off-white upholstery is in worn condition, with some discolouration but is still serviceable and they are very comfortable to sit in. Should you wish, we can get these chairs professionally re-upholstered in a material of your choosing. The frames are sturdy and strong, in excellent condition.
