Description

FINE 18th century George III solid mahogany low side or bedside table in completely original condition. Beautiful design with square legs, shaped top gallery (a bit like a commode) and large single cock beaded drawer. The drawer is mahogany lined and has its original brass swan neck handle. The solid mahogany top is nicely grained and free from splits. As can be seen in one of the photo's it turns up great also, nie and dry just like the day it was made. This would make a great bedside or lamp table in today's world. The whole piece is a lovely colour with rich patination from years of waxing. SIZE; 22 1/2" wide by 16" deep by 27" high overall CIRCA; 1770 - 1780
