Description

Very RARE late Regency period miniature rosewood canterbury in very good original condition. Beautiful turnings throughout, the legs with original brass castors. The drawer with cock beaded edges is mahogany lined and has its original turned rosewood knobs. Whether this was a salesman's sample is open to conjecture but whatever it is a gorgeous piece of miniature furniture. One of the nicest Canterbury's I've ever seen. Original finish with great colour. SIZE; 15" wide by 12" deep by 15 1/2" high CIRCA; 1820 - 1830
