Description

A particularly good looking burr walnut fold over45 card table from the reign of Queen Victoria. This table is in superb condition and boasts excellent graining and superb carving. Well above the average example and rather keenly priced for this kind of quality. The shape of the top is lovely and the inside is lined with an unmarked beize. The carved and turned pedestal sits on a good cabriole leg which in turn sit on original castors. A great example of 19th Century craftsmanship. Size is quoted when closed.
