Date of manufacture: 1930

Dimensions

Height = 70 cm (27.6")

Width = 68 cm (26.8")

Depth = 44 cm (17.3")

Description

This little side table in walnut dates from the early 1900s. It is in lovely condition and looks quite elegant with the long cabriole leg and the pretty serpentine sides. There is a most useful little drawer in the front for keys or bits and pieces. The top boasts a quartered veneer which is matched in each section. The shoulder on the leg carries a rather pleasing carved detail too. Very pretty and useful with good colour and grain.
