Description

This clock can't be mistaken for any other era can it ? Sweet little desk top clock with the case in classic Art Deco geometric skyscraper shape and stylised Art Deco numerals. The clock face is marked to the very edge 'Made in France'. Condition is excellent with just minor signs of age to the chrome which is only visible on very close inspection. Very minor spotting (debris?) to the lighter areas of the dial under the crystal. Full working order. Measures a little under 2 1/4 inches high; 4.1 inches across at the base.
