Description

A gents Omega wrist watch, circa 1955. The watch has a hand-winding movement, calibre 266, which is working nicely. The stainless steel case was made by Dennison for Omega and it is in good condition and the inside of the case back has the Omega triangular stamp. The lens is in good order. The signed dial is in its original finish and there is some age related darkening, and some marking to the dauphine hands. A new leather strap has been fitted. PRICE INCLUDES WORLDWIDE POSTAGE
