Description

A stunning pair of late 18th Century Chinese Swatow dishes, painted in dark pigment with scenes of officials and attendants surrounded by blossoms and bamboo. Each dish has flared upright sides and a domed interior well. There is a firing crack to the base of one dish as can be seen in the photos, otherwise the condition is excellent. A very attractive pair of antique dishes that would add style to any collection or interior scheme. c.1790 Diameter: 9.5" (24cm) depth: 2" (5cm)
