Description

Lovely large pine storage chest with two drawers, set of raised bracket feet with metal carrying handles and an internal candle box. It is in good condition. It has been stripped and given a smooth waxed finish. Inside is clean and tidy and the hinges are strong. The drawers run smoothly and have both had new handles fitted. There are some small splits in the base of the drawers and in the floor of the blanket chest but nothing to concern us. Overall a good honest sturdy piece. The best description comes from the pictures so please look at them all carefully and if you have any questions please ask. Free local delivery within 20 miles of Plymouth/ Ashburton. We can arrange delivery in the South West ourselves at cost but further afield than this delivery we will use a specialist courier so please get in touch for an accurate national or international delivery quote.
