Description

A charming little Victorian novelty thimble case in the form of a football or soccer ball. Covered in red and black leather, one half opens to reveal the velvet lined interior with a sterling silver thimble nestled in the centre. The thimble is sterling silver from the highly collectible Chester assay office, slightly hard to see the date letter, but I am pretty sure it is for 1895. Absolutely charming and in excellent condition, minor wear commensurate with age. 1 1/4" in diameter. Item ID:39007 FREE Worldwide Registered Airmail Directly From London, England
