Description

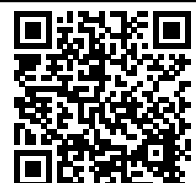

A fine quality Victorian freestanding cylinder top pedestal desk by T Willson of 68 Great Queen Street, London, Constructed from beautifully figured mahogany this desk has 9 graduated drawers all with applied mouldings and turned pulls. The barrel shaped cylinder opens to reveal a well fitted interior of various drawers and pigeon holes and a pull out writing slide with 3 sections of original green tooled leather, the centre with adjustable reading slope. The polished top with an impressive moulded gallery to the back and sides. Stamped to the central drawer for the maker - T Willson 68 Great Queen Street London - (working 1799 -1854) Dimensions Height = 122 cm (48") Width = 122 cm (48") Depth = 76 cm (30") Overall this is a very attractive and original piece of furniture with a wonderful colour and patination. The desk is in good solid condition and beautifully presented, it has been waxed and cleaned using traditional restoration techniques and is now ready to be housed in its next home. Please note the desk can be seperated into 3 pieces for ease of transportation. We can make all of the delivery arrangements for you. Furniture requires expert handling so we only...
