Description

A rather good looking and somewhat unusual walnut bookcase from around 1900. This open fronted example has adjustable shelves to let you select the height you require and quite importantly it is deeper than most at 16ins which gives the opportunity to put in larger items. In overall good condition with good grain and colour it is certainly a useful and good looking example with the leaf carving and the little bun feet. dont hesitate to give us a call 01565 874075 to discuss. We have two more open fronted bookcases on our web site and three full length bookcases.
