Description

It is rare that we find a stunning wardrobe of this size and in such excellent condition as this. It has a beautiful shaped top and carving detail, double panelled doors and two small drawers at the bottom. The doors open fully as they hang on the original external brass hinges. Inside, a brass rail and shelves can be fitted to your requirements. This wardrobe still has one of its original drawer locks. Pictured here in the bare wood, it has recently been stripped of its original paint and is now ready for wax polishing. The name knock-down comes from the fact that this particular wardrobe dismantles being a key feature to this large wardrobe, and with most of our antique wardrobes we have for sale. If you have difficult access/doorways or stairways in your home, this is not a problem with a knock down wardrobe. Price as it is in the bare wood £1250. The price shown includes our professional wax polishing service. Height 92", width 70.5", depth 24", internal depth 20.5"
