Description

A pretty 3 tiered corner washstand. The mahogany is faded but it has a lovely patina and a nice feel to it so we decided to leave it rather than re polishing. It is in excellent sound condition and is a very useful piece for the corner of any room. The splayed legs do not come out too far (which can be an issue with these pieces) This is a pretty little period piece at a good price Height to the top 39" (100cm) Width across the front 21" (55cm) Measurement from the corner along the sides 15" (38cm)
