Description

Totally authentic and wonderfully stylish 1930s Art Deco decanter set. Comprises a large decanter and six matching glasses. The fabulous decanter set exudes quality as soon as you hold each piece, each being deceptively heavy and wonderfully detailed. The condition is almost mint, in fact there's no damage to mention here it's free from cracks, chips of any size even flea bites, it's a real rarity and perhaps indicates it's been lovely displayed and looked after for the past 85 - 90s years because even the gilding shows minimal signs of its age. We've taken close up pictures so you can see for yourself. We defy the new owner not to fall in love with this set. Size with glass stopper 22 cm glasses at the opening 4 x 6 - size 5.8 cm
