Description

Longines Record solid 9ct gold gents wristwatch. This is a very fine example of a gents classic wristwatch made by the world renowned premier maker Record who were part of the Longines company, one of the highest quality watch makers. The watch is the very popular 15 jewels calibre 107 movement, as you can see it is in fabulous condition. It has its original near ivory coloured sub seconds dial. A new glass has been fitted and the case has been professionally polished so it is in superb condition. The cushion case is of a very subtle coloured rose gold. As you would expect the watch is fully marked on the dial, movement and case. It comes complete with a new black leather strap. Record are one of the most exclusive watchmakers in the world and this watch certainly has that understated elegance that whispers class. The watch case measures 30mm not including the crown and 34mm on the diagonal. Overall this watch is in outstanding condition and highly sought after by collectors indeed it looks as if it was rarely worn. The watch has been fully serviced and is guaranteed to be a genuine Record in all respects. It has been professionally overhauled, the proce...
