Description

A quality Victorian rocking horse on an oak base. The rocking horse has been constructed from a wooden frame covered in pony skin and filled with wood shavings. With great shape and form in original condition it has an ear missing and various splitting to the pony skin but retains its original eyes and painted mouth. With a little attention she could be brought back to her former glory but we think she is a very decorative horse at present. Dimensions: Width: 36 inches - 92cm Height: 36 inches - 92cm Depth: 17 inches - 43cm At Loveday Antiques we take the hard work out of buying antiques by assisting with quotes for a delivery service directly to your home.
