Description

1927 silver Record pocket watch and silver albert. The watch has a signed stem-winding movement which is working nicely. The movement is signed Record Watch Co, 7 jewels, 2 adjustments, Swiss made. The movement is protected by an inner hinged cover. The watch measures 49.2mm diameter excluding the winding stem and the loop. The case is silver and there are hallmarks inside the case backs for Birmingham 1927 with a maker's mark for the English Watchcase Manufacturing Co. The case is in nice condition with only light surface marks from use and the odd small "ding" to the back. The watch lens is plastic and is in nice condition. The white enamel dial is signed Record, Swiss made. The dial has a faint hairline crack between 1 o'clock and the centre although hardly noticeable to the naked eye but overall it is in nice condition for a 1920s piece. The watch has its original blued steel hands. The watch comes with an vintage silver chain which measures 22cm long including the T bar and clasp. The watch comes in a new presentation box. Price includes worldwide postage.
