Description

A superb George 111 pedestal mahogany dining table. Superb condition with 2 leafs between three turned pillar pedestals raised on swept quarter foil legs with original brass casters circa 1780s. Through the 70s 80s and 1990s before the crash these kind of fine George 111 three pedestal dining tables sold for between £25,000 / £30,000. Surely a serious bargain, presently only around a fifth of the price, as our economy slowly recovers. Size, 124" by 43" by 28.5"
