Description

A gents 1956 Omega wrist watch. The watch has a calibre 267 hand-winding movement which is working nicely. The movement is signed Omega and it has the serial number 15,194,639 which dates it back to 1956. The watch itself measures 34mm diameter excluding the winding crown and the lugs so a good size for a 1950s piece. The case is stainless steel and it is in good condition. The winding crown has the Omega logo and the inside of the case back has the triangular Omega mark together with the case reference 2900-2 which is correct for the calibre 267 movement. The lens has a couple of light scratches but not too visible to the naked eye. The signed dial has some age related darkening. Original hands, a subsidiary seconds dial and outer minute markers. A new leather strap has been fitted. The watch will be sent in a new presentation box.
