Description

A most unusual Arts & Crafts period wall clock by the renowned English cabinet makers, Waring & Gillows. A quarter striking clock that strikes the quarters and the hours on 3 rods giving a superb resonating tone. The movement has just been fully overhauled by our BHI registered staff. The medium oak case has an age related finish with a rich, warm patina and an astragal glazed fully opening door with a swept arch top. The silvered dial has black Arabic numerals and is signed "Waring & Gillows, London & Paris". A very unusual clock indeed.
