Description

- Original 1930s Chrome Art Deco Candelabra - This is a large Art Deco candelabra featuring a 1930s lady with her arms out stretched to support two candle holders. She stands a whopping 35cm tall. Very impressive piece, the detailing is superb. She's chrome plated on metal with a weighted base, making her deceptively heavy. Her condition is above average, there are signs of her age to some of the chrome plating, particularly on the candle holders. However overall the chrome is in excellent, bright and crisp condition on 98% of this piece. Measurements: Width = 14" (Approx 34cm) Height = 9" (Approx 24cm)

Internal Ref: CAND41
