Description

This antique French Escritoire is a stunning item & in great condition. I would date it to around the 1910-20's period. It's Kingwood all over, back & front, with many fine gilt bronze mounts, galleries, trimmings & handles. The Kingwood veneers are superb & give off wonderful patterns. There is a pull out slide which allows more writing space. The top section has canted corners, oval painted panels, two cupboards with shelves inside & two small drawers below. There's another drawer in the bottom section, which has beautifully shaped legs. This really is a fine quality item & it's of small proportions. Please enlarge all the images to appreciate all the fine details. Width - 27.2", 69 cm Height - 19.3", 49 cm Height - 52.4", 133 cm Knee Height - 23.6", 60 cm
