Description

Fabulous 1930s Art Deco double bed with integral cabinets. These headboards are great if you have an existing divan bed and don't want the traditional headboard/footboard set up. Just place this against the wall and move your bed up to it and you're all set! couldn't be simpler. This beauty has beautifully figured veneers with decorative inlay. There is a cupboard either side which still retain their original bakelite handles, to hide all your nick nacs. There is enough depth that you can also display a nice piece of Deco on the actual centre section of the headboard, perhaps a nice art Deco lady? The whole piece has been completely and professionally restored and comes to you in excellent condition. Sizes are 6ft 6 (197cm) in length. 24cm Depth. Cupboards are 46cm long. Height is 3ft1.5 (94cm).
