## Description

An outstanding gilt brass garniture set. An urn topped clock with side handles and standing on sprayed bracket feet. It has an 8 day movement which strikes on a bell on the half-hour and the hour. It has just been fully serviced by our BHI registered staff. The brass dial has cartouche enamelled Roman numerals and nicely cut hands. It has a cast bezel and bevelled glass. The whole set is beautifully polished (unfortunately our pictures do not do this justice) and it has been lacquered throughout to prevent tarnishing.
