Description

Totally authentic and beautifully detailed is this Art Deco figural group depicting a lady with her two dogs. Cold painted onto spelter and resting on a solid marble base this group weighs over 5 kilos. The lady is particularly attractive and has retained her original colouring. The pattern to her dress is beautifully done and only shows some signs of age to the skirt with mild rubbing. The overall condition is excellent with just normal signs of age as one would expect from a piece this age, there is no damage to either the figures or marble. Ideal focal piece for a mantle area or sideboard. UK DELIVERY £15
