Description

A Georgian mahogany and pine, cottage sized chest on chest. This piece is all about the front, with mahogany stained sides, but the front is exceptional, in that it has lovely light warm colour and most importantly all its original plate brass drop loop handles and escutcheon plates. With verdigris around the handle edges developed over the 250 yrs years of its exsistance. Adds to it authenticity. Overall condition a few faint scuffs but nothing to detract from its original charm, ready for use. Fit in anywhere. Ish ! Size, 69" by 38" by 20"
