Description

Two Austrian cold painted bronze hunting groups in the manner of Franz Bergman, one with the rider on horseback surrounded by a pack of seven hounds, the other holding up a fox whilst surrounded by a pack of five hounds. The larger group has a hand painted mark 'BT/D'. Condition of the bronze is good with no damage or losses, the paintwork is original but chipped as is usual with these groups, however it does appear worse in the photographs than it does in reality. Horse group 4.5cm high, the fox group 3.5cm high.
