Description

18th century George III mahogany and brass mechanical fire bellows in good condition for age. Great design, the brass work is especially good in the wheel and the fretted wheel support. We have fitted a brand new leather belt. The bellows are in full working order. Just a really nice piece of Georgian fireside nonsense. SIZE; 27" long by 7" wide by 9" high CIRCA; 1770 - 1780
