## Description

This small antique pine chest of drawers was made in 1930 and is in very good condition throughout. It has been stripped to the bare wood ready for wax polishing or painting. We have put a new reclaimed pine top on. There are two small drawers over two full width drawers each with their original brass knobs. The price includes our professional wax polishing service. Height 31", width 38.5", depth 21.5". However, if you were thinking of having this piece painted, please have a look at the attached photo's below the ones of this particular chest of drawers. There is a before and after shot of a chest of drawers very similar to this one which we painted for a customer, in Farrow and Ball No.57. We at Pinefinders thought it looked amazing and that it would add a touch of luxury / mood / masculinity to a bedroom or guest room. The dark knobs sets the colour off wonderfully. We can paint any piece of furniture any colour for you, please contact us for more information and a quote.
