Description

Perfect for the Doctor, Surgeon or Medical Professional in your life, this is fabulous example of an antique English Apothecary cabinet in wonderful condition. The cabinet is made from a beautiful flamed Mahogany with a flush inset brass military / campaign handle; the box comes complete with a working lock and key. There is a "secret" compartment at the back which is where the "Poisons" were stored, these are almost always missing, but this box has the bottle intact. The doors open to reveal a really wonderfully complete box with two drawers fully fitted drawers. Excellent condition (with wear and the odd bottle chip commensurate with age) measuring 9" x 7 1/2" x 10 1/2" tall. Item ID:39077 FREE Worldwide Registered Airmail Directly From London, England
