Description

Antique Regency scroll end sofa in mahogany, newly upholstered in a neutral linen fabric. It's in good original condition throughout & very sturdy. The frame is reeded all over, on the back, arms, front rail & even on the bold sabre legs, which sit on the original brass capped casters. The seat & the bolster cushions are also original inside. This sofa is a very elegant piece of furniture & it's quite rare to find one as nice as this in such good condition. I would date it to around the 1810-30's period. Width - 71.7", 182 cm Depth - 27", 68 cm Height - 36.6", 93 cm Seat height - 18", 46 cm
