Description

Pair of antique carved walnut side chairs in good original condition, which I would date from around the 1880-90's period. They still have the original brass finials on the tops. They have some good carvings, mouldings & sit on turned fluted legs. The backs & the seats have just been re-upholstered in a cream linen fabric. They are sturdy & have just been polished. I have just noticed a small applied carved piece is missing on the top right side of one chair. I'm sure one could be made to match. Width - 17", 43 cm Depth - 17", 43 cm Height - 89", 35 cm Seat Height - 17", 43 cm
